

AUCTION DONATION REQUEST

Projecting Change is a 4-day Docs and Dialogue Festival that sparks curiosity, inspires conversation, and develops ambassadors for change within our communities. The festival features thought-provoking films from around the globe followed by a dynamic speaker or panel discussion that sparks ideas and gives context to the big, bold questions we ask our audience to consider. The unique festival format is a platform for audience engagement, with all proceeds donated back to local initiatives. For more information visit www.projectingchange.ca.

We would like to invite you to consider making an auction donation for our Opening Night Party & Fundraiser, which serves to enhance our profile and support our Festival: Donors will receive prominent promotion at the event and your company logo and name will be published in the programs with a description of the donated item and on our website on dedicated event pages.

We rely on the generosity of friends like you who share our commitment to staying curious. Proceeds raised will support our annual festival.

If you are interested in making a donation, please complete the attached **Auction Donation Form**.

We sincerely thank you in advance for your consideration and generous support!

Regards,

Projecting Change Team
